FORTIFY I.T.
Protecting Your Network

Fortify Voice

$24.50 / user / month

Why Fortify Voice?

One partner for your phones and IT. Fortify keeps your team connected at the office or on the go, with flexible call routing and support from the team you already know.

Features

- **Auto Attendant:** Digital receptionist that allows you to direct calls automatically.
- **Call Reporting:** Filter by number, direction of call, and disposition.
- **Call Parking:** Place calls on hold and pick them up from any device.
- **Web Portal:** Manage users and call routing from anywhere.
- **Call Recording:** Set call recording by default or on demand.
- **Hunt Groups:** Set calls to ring any number of people, any way you want.

OPTIONAL ADD-ONS

Transcription: $3/user/month. Read voicemail as text.

Business SMS: $5/enabled number/month. Usage and registration fees extra.

Digital Fax: $12/account/month, including a fax number.

Microsoft Teams: $6/user/month. Microsoft licensing separate.

LET'S TALK

Ask us for a tailored quote. Taxes, fees, and hardware are separate.
